“Due to disruptions in the global supply chain, there is an increasing focus on Indian chemical manufacturers to act as an alternate regional supplier. Continuous process improvements & commercialisation of new quality products has helped us to position ourselves well in the specialty chemicals industry.

We are pleased to report our highest ever quarterly & half-year performance in terms of Volumes, Sales & Profitability. Total revenue for the H1FY22 stood at Rs 266.39 crores, a growth of 167 % on a YoY basis. Our sales volume for H1FY22 grew by 159% and EBITDA grew by 194% on a YoY basis. Demand for all major chemicals has been healthy in H1FY22 led by Rubber chemicals, Lubricant additives & Speciality chemicals business. Capacity expansion through debottlenecking has been completed and will serve incremental demand in H2FY22. We serve over 1,000 clients in 50 countries and have been their long-term business partner thanks to our robust R&D strategy that generates value-add solutions.

We are delighted to welcome Mr. Anurag Surana and Mr. Ullal Bhat as our new Non-Executive Directors and we will benefit from their vast experience. We have progressively built up our product portfolio to strategically place ourselves with our customers. We have focused our efforts on process intensification and R&D to deliver quality products to our customers. To tap the potential of our REACH registered products in Europe, we have opening a subsidiary in the Netherlands which will help us better serve our customer base in the region. These developments will boost our proficiencies and allow us to seize future opportunities”
